I am pleased to announce the venues for 2018. If you are a Head of Council, a member of a municipal council, local board, senior municipal administrator or candidate in the October election. I am inviting you for a coffee and conversation with me and other municipal officials.

In this third year of offering these casual get togethers, let's talk about municipal issues, challenges and changes such as codes of conduct, conflicts, integrity commissioners meeting challenges, lame duck council and the impact of Bill 68 changes.

As you know, I am a municipal solicitor and coach. I have delivered numerous orientation and councillor training sessions across Ontario.

This is an opportunity to meet in an informal setting. Bring your questions and comments. While there is no charge you must register in advance.
