

NOTICE

VILLAGE OF KILLALOE WATER CUSTOMERS

All Water Treatment Plants must meet the standards that have been established through Provincial Legislation to provide safe, clean drinking water.

As part of the licensing requirements under regulation (O. Reg. 453/07) made under the Safe Drinking Water Act, the Township of Killaloe, Hagarty and Richards retained the services of the Ontario Clean Water Agency (OCWA) to develop a financial plan for the Killaloe Drinking Water System (DWS).

The financial plan component of the licencing requirement is meant to ensure that all water treatment plants work towards being self sufficient and plan for future plant capital expenditures.

For the Killaloe Drinking Water System, the financial plan was developed using historical and financial information supplied by the Township to forecast annual expenditure requirements, while taking into account major maintenance needs, capital upgrades requirements, inflation and any growth forecast. The Township of Killaloe, Hagarty and Richards adopted the financial plan on April 17, 2012. The new rates for 2012 will take effect with the next bill, due June 29, 2012.

The attached chart shows the rates for each type of unit. The rates will increase by 3.0% in 2012 and continue to increase by 2.0% each year from 2013 to 2016.

Type of Unit	Water Rates per Month				
	New Rates				
	2012	2013	2014	2015	2016
Residential	\$82.40	\$84.05	\$85.73	\$87.44	\$89.19
	3.0%	2.0%	2.0%	2.0%	2.0%
Small Commercial	\$92.70	\$94.55	\$96.45	\$98.37	\$100.34
	3.0%	2.0%	2.0%	2.0%	2.0%
Large Commercial	\$103.00	\$105.06	\$107.16	\$109.30	\$111.49
	3.0%	2.0%	2.0%	2.0%	2.0%

The Township must fulfill all the requirements of the Licencing Program for the Killaloe DWS and one condition is to make the financial plan available to the members of the public who are on the drinking water system. The financial plan will be posted on our website and will be available at the Township Office at no cost.
