# Memorial tournament raises over \$3,000 for local healthcare

*Submitted by St. Francis Valley Healthcare Foundation*

**BARRY'S BAY** – Friends and family members of the late Lorna Hudder gathered to remember their loved one and give back to local healthcare. Money was raised at the fourth-annual Lorna Hudder Memorial Golf Tournament, which took place at the Homestead at Wolf Ridge in July. A total of \$3,149.05 was raised. The Foundation raises funds for its three partners including St. Francis Memorial Hospital (SFMH), Madawaska Valley Hospice Palliative Care (MVHPC) and Valley Manor. Proceeds will go toward the purchase of essential healthcare equipment. To date, the Lorna Hudder Memorial Tournament has raised \$11,296.15 for local healthcare needs.
