Schedule 1 is also not required to be completed by a holder of a license to practise, a limited license to practise, or a certificate of authorization, issued by the Professional Engineers Ontario.

Site Plan Requirements

Site plans are a requirement for most construction and demolition permits. Exemptions may include projects such as an interior renovation where square footage is not added or removed. Please contact building department to verify.

Applicants may use the form included in this document, or alternatively use other methods such as GIS Mapping software or registered plan of surveys. Please note, that the building official may require further information such as a registered survey of the property or drainage plan. Contact building official to verify.

Property lines must be identified on site for first inspection.

The following must be indicated on the site plan. See example of a site plan included in this document:

- Property lines
- Name of adjacent street(s)
- Properties civic address and/or legal description
- Location of all water bodies, water courses, etc.
- Location of existing buildings and proposed building locations on the lot
- Location of sewage system or proposed sewage system (tank and bed)
- Location of well
- Location of driveway
- Location of shoreline road allowances, as applicable
- Location of R.O.W.s, easements, etc
- If property is located on municipal services, indicate water/sewer lines on property
- Specify distances to hydro wires, sewage systems (tank and bed), waterways (lake, creek, river, etc), property lines (front, rear, side), private wells, R.O.W.S., easements, other structures on property, etc.

Building Permit Deposit Release Form

As per Section 10.2 of the *Ontario Building Code Act, 1992, S.O. 1992, C.23*, as amended, it is the sole responsibility of a building permit holder to request the required prescribed inspections from the Building Official throughout the duration of the project. The Township of Killaloe, Hagarty & Richards has implemented a building permit deposit system, which is collected in conjunction with the building permit fee payment, and is returned to the permit holder upon successful completion of the project, as determined by the Chief Building Official. The fee is determined in accordance with Schedule "D" of the User Fees and Charges By-Law.

If an inspection has not been requested within 12 months of the previous inspection, the building permit may, at the discretion of the Chief Building Official, be considered expired, revoked, or abandoned and the deposit may retained by the municipality.

I, (Print Name) _____, as the permit holder of a building permit, understand it is my sole responsibility to request all prescribed inspections, including finalization/occupancy, for the purposes of a building permit.
