

-IMPORTANT MUNICIPAL ELECTION NOTICE- FOR IMMEDIATE RELEASE

ATTN: WARD 03 - ENGLISH PUBLIC ELECTORS

The Municipalities third party vendor for the upcoming 2026 Municipal Election has experienced a printing error which has resulted in certain information not printing correctly on the original ballot sent by mail to **Ward 03 - English Public Electors**. Specifically, the question regarding the ward system was omitted on the original ballots along with ballot return instructions and some are missing the first names of candidates.

A replacement vote by Mail Kit is being mailed to those affected. Please discard your original ballot and use the replacement ballot included in the kit and follow the instructions provided to complete and return your ballot.

The replacement kits can be identified on the exterior of the envelope with the following messaging: **"WARD 03 ENGLISH PUBLIC REPLACEMENT VOTE BY MAIL KIT ENCLOSED for the 2026 Municipal Election in KHR"** and will contain the correct replacement ballot which will reflect the image below.

As a result, the original ballots **are not** to be used and will be considered **spoiled** if submitted. Only the replacement ballots will be deemed valid in the upcoming election.

The Municipality is actively advising those who drop their ballots off at the Municipal Office, and is making every effort to contact those electors who have submitted their ballot in the mail already.

All other Wards and electors are unaffected at this time and may continue to utilize their original ballot.

If you have already mailed in your original ballot, you have not received a replacement kit, or require any other assistance, please contact the Municipal Office.
